Since we launched the Elf Challenge in 2012, we have received more than $31,000 in donations from our generous employees!!

Back to School Cash Drive

The Hebron Bull Arm Emergency Response Team (ERT) and site employees once again have stepped up for the community. For four days in August, the ERT set up turnstile collections at the end of each shift change and collected $7500 in donations for our Back to School cash drive. The funds were split between Holy Family Elementary in Chapel Arm and Clarenville Middle School. Along with helping students who might not be able to afford basic school supplies, the funds will also help students with the cost of field trips and extracurricular activities. Thank you Hebron Team!

Elf Challenge

In November, while wearing Santa hats, our ERT participated in the 4th Annual Elf Challenge. Over four days, $5700 in donations from Hebron employees was collected to help families in need during the Christmas season. As in previous years, Hebron partnered with the Salvation Army chapters in Clarenville, Chance Cove and Arnold’s Cove as well as the Regional Action Committee on Housing (REACH) to ensure the funds were distributed where the need is greatest in the Bull Arm and surrounding areas.
