

EXPRESSION OF INTEREST (including Pre-Qualification Requirements)

Supply of Casing Tubular Running Services for Hebron & Hibernia

Reference: **Project #WS1762999151**

BIDS Categories: 0125

Issue Date: November 7, 2025

Closing Date: November 21, 2025

Overview:

- ExxonMobil Canada Properties, by its managing partner ExxonMobil Canada Ltd. (EMCP) and Hibernia Management and Development Company Ltd. (HMDC), hereinafter collectively referred to as the “Parties” are in the process of pre-qualifying companies who can supply Casing Tubular Running Services for their onshore and/or offshore Newfoundland and Labrador requirements. Supplier shall provide all management, personnel, processes, materials, tools, equipment, applicable certifications and facilities as may be required to ensure all equipment covered by this pending Agreement shall be fabricated and supplied to meet all statutory requirements, codes of practice and applicable specifications.
- Supplier shall provide all management, personnel, processes, materials, tools, equipment, applicable certifications and facilities as may be required to ensure all equipment covered by this pending Agreement shall be fabricated and supplied to meet all statutory requirements, codes of practice and applicable specifications.
- The intention is to have this scope of work cover the requirements of the Hibernia Project*, and the Hebron Project. For clarity, the scope of work includes not only the foregoing, but may include at EMCP and/or HMDC’s discretion, future work related to minor changes to the scope of work described herein, in which EMCP and/or HMDC may engage onshore or offshore Newfoundland and Labrador, for oil and gas facilities as well as exploration or subsea related activities
- While not planned, it should be noted that the resulting RFP and Agreement may require inclusion of and/or extension to other operators in the area, project co-venturers, suppliers and/or affiliated companies.
- The Parties support providing opportunities to Canadian, and, in particular, Newfoundland and Labrador companies and individuals, on a commercially competitive basis. Suppliers expressing interest in providing services or materials, if they are selected to bid, will be required to complete a Canada-Newfoundland and Labrador Benefits Questionnaire at the bid stage.
- The participation of members of designated groups (women; Indigenous Peoples; persons with disabilities; 2SLGBTQI+; and members of visible minorities) and corporations or cooperatives owned by them, in the supply of goods and services is encouraged. There are currently national certifying organizations that cover certification for businesses owned by these designated groups. The Projects will continue to look for organizations that can provide certification support to businesses owned by persons with disabilities.

Vendor Registration

The Hebron Project has a vendor database that is used to identify possible suppliers and contractors to participate in the project. Suppliers and contractors are encouraged to register. For instructions on registering click [here](#).

ExxonMobil Canada Properties by its managing partner ExxonMobil Canada Ltd., operator of the Hebron Project, sees value in expanding use of the database to the Hibernia and Hibernia Southern Extension projects, exploration, subsea activities and project co-venturers should they request information. The increased visibility to across projects and other noted industry participants may be of value to your organization as it has the potential to increase future procurement opportunities.

DISCLAIMER: By registering your company in the vendor database, you are consenting to making your information available to the parties noted above.

NOTE:

Registration in the database does not imply that a supplier is approved as a qualified supplier, nor does it indicate that a vendor is included on any Non-Binding Request for Proposal (NRFP) or bid list for the supply of goods or services for which it has registered.

Scope of Work Overview:

The scope of work/supply includes, but is not limited to:

- The provision of qualified personnel for the supervision of Tubular Running Services.
- Any/all required equipment to provide services specific to the various sizes/weights/grades of tubing, casing, and sand control screens to be used including, but not limited to, elevators, slings, slips, stabbing guides and associated equipment, clamps, tubing and casing tongs, spiders, torque monitoring equipment, hydraulic distribution/control equipment, tubing and casing thread protectors, control line management equipment, fill-up/circulating/rotating equipment, and certified offshore baskets/ containers.
- Any/all required equipment to provide onshore bucking services specific to the various sizes/weights/grades of tubing/casing/screens to be used.

Additionally, the selected supplier will be required to meet all technical and Safety, Security, Health, and Environmental (SSHE) specifications and safe work practices of the Parties and their affiliates as appropriate.

Minimum Technical Requirements

The Contractor must demonstrate a strong history and experience in providing the specified equipment and services as noted above.

Evaluation

The data submitted in response to the aforementioned questionnaires will be used to evaluate your company's ability (and those of your preferred sub-contractors / suppliers where applicable) to perform these services or provide these materials.

It will focus primarily on:

- Past safety performance
- Applicable experiences
- Project execution skills
- Project management skills & integration skills
- Available technologies with proven performance
- Current capability
- Personnel qualifications
- Financial capacity

This data will be evaluated and used to develop a final list of suppliers who will be asked to submit formal competitive bids. We reserve the right to make the final determination of which suppliers will receive the Non-Binding Request for Proposals (NRFP)) and which suppliers will be awarded the final agreement.

This Expression of Interest (including pre-qualification) is not a pre-qualification of suppliers for other Parties' work but is limited to the scope aforementioned. In addition, participation in this Expression of Interest (including pre-qualification), including any statements whether oral or written between the Parties and your company, shall not create or be deemed to create any binding legal relationship or contract, or be construed to do so between the Parties and your company. All costs associated with the preparation of your response to this expression of interest shall be at your expense.

This Expression of Interest (including pre-qualification) may or may not result in the issuance of an RFP/ITT and may or may not result in the award of an agreement. If you respond to this Expression of Interest (including pre-qualification) and your company is selected to be on the bidders' list, your company name, your designated company representative's name and business contact information may be posted on public websites. Similarly, if you are selected for award, the same information may also be posted, indicating that the work has been awarded to your company.

* It should be assumed that the Hibernia Project includes, but is not limited to, current and planned Hibernia and Hibernia Southern Extension operations as well as future development on behalf of Hibernia (operated by Hibernia Management and Development Company Ltd.) and/or Hibernia Southern Extension participants (operated by ExxonMobil Canada Properties).
