

EXPRESSION OF INTEREST (including Pre-Qualification Requirements)

Supply of PFAS-Free Bunker Gear

Reference: **Project #N/A**

BIDS Categories: 9848

Issue Date: December 3, 2025

Closing Date: December 16, 2025

Overview:

- ExxonMobil Canada Properties, by its managing partner ExxonMobil Canada Ltd. (EMCP) and Hibernia Management and Development Company Ltd. (HMDC)) hereinafter collectively referred to as the “Parties” are in the process of pre-qualifying companies who can supply a PFAS-Free Bunker Gear Replacement for their offshore Newfoundland and Labrador requirements.
- Supplier shall provide all management, personnel, processes, materials, tools, equipment, applicable certifications and facilities as may be required to ensure all equipment covered by this pending Agreement shall be fabricated and supplied to meet all statutory requirements, codes of practice and applicable specifications.
- The intention is to have this scope of work cover the requirements of the Hibernia Project and the Hebron Project. For clarity, the scope of work includes not only the foregoing, but may include at EMCP and HMDC’s discretion, future work related to minor changes to the scope of work described herein, in which EMCP and HMDC may engage onshore or offshore Newfoundland and Labrador, for oil and gas facilities.
- The Parties support providing opportunities to Canadian, and, in particular, Newfoundland and Labrador companies and individuals, on a commercially competitive basis. Suppliers expressing interest in providing services or materials, if they are selected to bid, will be required to complete a Canada-Newfoundland and Labrador Benefits Questionnaire at the bid stage.
- The participation of members of designated groups (women; Indigenous Peoples; persons with disabilities; 2SLGBTQI+; and members of visible minorities) and corporations or cooperatives owned by them, in the supply of goods and services is encouraged. There are currently national certifying organizations that cover certification for businesses owned by these designated groups. The Projects will continue to look for organizations that can provide certification support to businesses owned by persons with disabilities.

Vendor Registration

The Hebron Project has a vendor database that is used to identify possible suppliers and contractors to participate in the project. Suppliers and contractors are encouraged to register. For instructions on registering click [here](#).

ExxonMobil Canada Properties by its managing partner ExxonMobil Canada Ltd., operator of the Hebron Project, sees value in expanding use of the database to the Hibernia and Hibernia Southern Extension projects, exploration, subsea activities and project co-venturers should they request information. The increased visibility to across projects and other noted industry participants may be of value to your organization as it has the potential to increase future procurement opportunities.

DISCLAIMER: By registering your company in the vendor database, you are consenting to making your information available to the parties noted above.

NOTE:

Registration in the database does not imply that a supplier is approved as a qualified supplier, nor does it indicate that a vendor is included on any Non-Binding Request for Proposal (NRFP) or bid list for the supply of goods or services for which it has registered.

Scope of Work Overview:

The purpose of this scope is to outline the requirements for the supply of PFAS-free structural firefighting gear for offshore emergency response operations. The selected supplier will provide complete ensembles that meet the latest safety and performance standards while ensuring compliance with all applicable SSHE requirements.

The scope of work/supply includes, but is not limited to:

- Supply 112 complete PFAS-free structural firefighting ensembles (jacket, pants, gloves)
- Gear must meet NFPA 1971 (latest edition) and be PFAS-free (as defined below)

For the purpose of this:

- PFAS-free means no intentionally added per- and polyfluoroalkyl substances (PFAS) in any component of the gear.
- Supplier must provide:
 - Written declaration confirming PFAS-free status.
 - Third-party certification or manufacturer documentation verifying compliance.

Additionally, the selected supplier will be required to meet all technical and Safety, Security, Health, and Environmental (SSHE) specifications and safe work practices of the Parties and their affiliates as appropriate.

Minimum Technical Requirements

- NFPA 1971 compliance (latest edition).
- Thermal Protective Performance (TPP) rating per NFPA standards.
- Moisture barrier meeting NFPA requirements.
- Ergonomic design suitable for offshore environments, including:
- Lightweight construction for mobility.
- Durability for marine conditions.
- Gear must be suitable for repeated laundering without degradation of protective properties.

Evaluation

The data submitted in response to the aforementioned questionnaires will be used to evaluate your company's ability (and those of your preferred sub-contractors / suppliers where applicable) to provide these materials.

It will focus primarily on:

- Technical Compliance: PFAS-free verification and NFPA certification.
- Current Capability: Ability to supply required quantity and meet specifications.
- Delivery Schedule: Ability to meet required timelines for offshore deployment.
- Financial Capacity: Demonstrated stability and capacity to fulfill contract.
- Experience: Previous supply of similar gear for offshore or industrial firefighting.
- Quality Assurance: Warranty, maintenance, and support provisions.

This data will be evaluated and used to develop a final list of suppliers who will be asked to submit formal competitive bids. We reserve the right to make the final determination of which suppliers will receive the Non-Binding Request for Proposals (NRFP) or Invitation to Tender (ITT) and which suppliers will be awarded the final agreement.

This Expression of Interest (including pre-qualification) is not a pre-qualification of suppliers for other Parties work, but is limited to the scope aforementioned. In addition, participation in this Expression of Interest

Template Updated December 2023

(including pre-qualification), including any statements whether oral or written between the Parties and your company, shall not create or be deemed to create any binding legal relationship or contract, or be construed to do so between the Parties and your company. All costs associated with the preparation of your response to this expression of interest shall be at your expense.

This Expression of Interest (including pre-qualification) may or may not result in the issuance of an RFP/ITT and may or may not result in the award of an agreement. If you respond to this Expression of Interest (including pre-qualification) and your company is selected to be on the bidders' list, your company name, your designated company representative's name and business contact information may be posted on public websites. Similarly, if you are selected for award, the same information may also be posted, indicating that the work has been awarded to your company.

* It should be assumed that the Hibernia Project includes, but is not limited to, current and planned Hibernia and Hibernia Southern Extension operations as well as future development on behalf of Hibernia (operated by Hibernia Management and Development Company Ltd.) and/or Hibernia Southern Extension participants (operated by ExxonMobil Canada Properties).

Submission Requirements

Supplier submissions in response to this Expression of Interest (including pre-qualification) **must** include the afore-mentioned reference number, as well as the following information:

1. Completed EOI Submission Form
2. Information demonstrating qualification for the Scope of Work detailed above.
3. Information demonstrating vendor can meet minimum technical requirements detailed above
4. Description of your experience operating under and familiarity with, the benefits provisions of the Canada-Newfoundland and Labrador Atlantic Accord Implementation Act and your experience with any similar regimes in other parts of Canada or internationally. At the NRFP/ITT stage, bidders will be required to indicate how they comply with the above.

Submitted information is to be provided in separate PDF (or native file) submissions and not submitted as one combined file. Please be aware that Company is limited to a 10MB file size for receiving e-mail. Should the file size exceed 10MB, please contact the Contracts Manager identified below.

Responses must be submitted electronically by the closing date to the e-mail address noted below:
