

EXPRESSION OF INTEREST (EOI)

Reference: **Industrial Benefits Monitoring and Reporting Software**
BIDS Categories: _____
Issue Date: May 26, 2011
Closing Date: June 9, 2011

Overview:

ExxonMobil Canada Properties, a partnership (EMCP), is seeking companies who can supply web-based Industrial Benefits Monitoring and Reporting software in support of the Hebron Project.

There is no guaranteed minimum amount of work.

Canada-Newfoundland and Labrador Benefits:

EMCP strongly supports providing opportunities to Canadian and, in particular, Newfoundland and Labrador companies and individuals on a commercially competitive basis. Pre-qualified companies will be required to complete a Canada / Newfoundland and Labrador Benefits Questionnaire at the Invitation to Tender (ITT) Stage.

Diversity:

Consistent with our commitments as outlined in our Diversity Plan, EMCP encourages the participation of members of designated groups, and corporations or cooperatives owned by them, in the supply of goods and services.

Scope of Work Overview:

The scope of work/supply includes but is not limited to: Web-based Industrial Benefits Monitoring and Reporting software along with technical support services. This software will be used to collect and manage Canada-Newfoundland and Labrador Industrial Benefits information required for regulatory reporting purposes.

Please Note: EMCP is not looking for vendors that have the capability of writing or developing this software; the software must be ready for implementation on the Project.

Vendor Qualifications:

The qualified vendor should have previous experience with the implementation and delivery of Industrial Benefits Monitoring and Reporting software on a large industrial project.

A Pre-Qualification review will be undertaken upon review of the responses to the Expression of Interest.

Submission Requirements:

Participation in this Expression of Interest, including any statements whether oral or written between EMCP and your company shall not create or be deemed to create any binding legal relationship or contract, or be construed to do so between EMCP and your company. All costs associated with the preparation of your response to this expression of interest shall be at your expense.

Finally, it should be clearly understood that this Expression of Interest may or may not result in the issuance of an ITT and may or may not result in the award of a contract. Further, it should be clearly understood that if you respond to this Expression of Interest and your company is selected to be on the bidders list that your company

name and contact information may be posted on public websites. Similarly, if you are selected for award, the same information may also be posted indicating that the work has been awarded to your company.

Responses to the EOI must be submitted electronically by closing date to the following email address:
Judy.V.Edwards@exxonmobil.com

Subject Line: **Industrial Benefits Monitoring and Reporting Software EOI**

All information to be provided in English.
